Community Service Programs				
Proposal/Description	Community Partners	University Partners	Theme	Recommended Grant Award
A Healthy Smile is an oral health project by Suitcase Clinic and Berkeley Free Clinic to provide restorative dental services to underserved, low-income, and homeless individuals in the East Bay.	Berkeley Free Clinic, Alameda County Health Services	The Suitcase Clinic, ASUC	Safety	\$20,000.00
Bay Area Scientists in Schools (BASIS) will collaborate with campus partners to recruit, train and deploy at least 300 scientist volunteers from Cal science departments to do hands-on lessons in every Berkeley elementary school.	Community Resources for Science	Science@Cal, Environmental Leadership Pathway at the College of Natural Resources, College of Chemistry, CalTeach	Education	\$5,000.00
College Day Berkeley seeks to inspire all Berkeley's K-12 students to envision their own educational journey and provide critical college/career access knowledge.	Berkeley Alliance, Berkeley Unified School District, Berkeley Public Education Foundation, City of Berkeley, Stiles Hall	Center for Educational Partnerships (Division of Equity and Inclusion), Cal Corps Public Service Center	Education	\$10,000.00
Berkeley Project leverages the success of Berkeley Project, a UCB student group, in engaging students in one-time service projects in the City of Berkeley throughout the year.	Rebuilding Together East Bay-North, Berkeley Partners for Parks, Willard Neighborhood Association	Berkeley Project, Retirement Center, Cal Corps Public Service Center	Environmental Stewardship	\$40,000.00
Berkeley United in Literacy Development (BUILD) will serve over 350 students, strengthen program structure for delivery and evaluation, augment professional development for tutors, provide targeted support to prevent "summer-slide," and celebrate success through a year-end awards ceremony.	Berkeley Alliance, Berkeley Unified School District, City of Berkeley, Bahia School Age Program	Cal Corps Public Service Center	Education	\$32,311.00
Music in the Schools is a comprehensive, yearround education program that serves every student in the Berkeley public elementary schools. The program's newest development is the addition of free, high-quality, after-school lessons.	Berkeley Symphony, Berkeley Unified School District	The Music Connection, ASUC, Cal Corps Public Service Center	Arts	\$10,000.00
Pasangan (Partners) promotes intercultural tolerance and meaningful engagement with the arts in a multi-faceted approach through shared performance of Indonesian music and dance, Balinese music classes in the Music Department, educational activities for hearing/deaf/hard of hearing students.	Gamelan Sekar Jaya, John Muir Elementary School	UCB Department of Music	Arts	\$10,000.00
Neighborhood Improvement Programs				
The South Berkeley Bioremediation Garden and Public Education Project will use brake ferns to remove arsenic in two vacant blocks in Southwest Berkeley and produce academic research on the bioremediation process. The Ecology Center will also host six free soil contamination classes.	Berkeley Partners for Parks, Ecology Center, City of Berkeley, Spiral Gardens Community Food Security Project, Berkeley Community Gardening Collaborative	Environmental Sciences, Policy and Management Department	Environmental Stewardship	\$40,000.00
Telegraph Connects will bring cable-supported lighting to the first four blocks of the commercial district nearest campus; re-paint nearby light poles; create community partnership with window displays; and bring wireless public network access points to the Avenue.	Berkeley Design Advocates, Liveable Berkeley, Telegraph Business Improvement District, City of Berkeley	Physical and Environmental Planning, Facilities Services, Residential and Student Service Program, ASUC	Economic Development	\$100,000.00
Total Funding				\$267,311.00
