

**BGC Richmond Community Working Group**  
**Education ad hoc subcommittee update**  
**May 28**

- ❖ The education subcommittee met in April and will meet again June 9<sup>th</sup>, 4pm (location to be determined).
- ❖ Framework is “Pipelines, pathways and partnerships” and the subcommittee wants to consider issues of access, equity and funding.
- ❖ UCB, WCCUSD and CCC will continue to help the subcommittee identify impactful work and potential recommendations to scale up or fill in gaps, taking into consideration institutional plans and community input.
- ❖ At the June 9<sup>th</sup> meeting, UC admissions will attend, present and answer questions. UC education related partners plan to attend, share with the subcommittee their programs, answer questions including: Carrie Donovan from BUILD; Katherine Reid is with the Math for America; Dan Zevin and Richmond partners; Multiverse education team from the Space Sciences Laboratory.
- ❖ Members of The UC Berkeley [Coalition for Education & Outreach](#) (CEO) heard a presentation about the BGC WG education subcommittee and some members are interested in getting involved.
