- See the **To Suppliers** webpage on the UC Berkeley Procurement Services website at <http://procurement.berkeley.edu/suppliers>.

➤ We are still developing the UC SF webpages

Berkeley Procurement: Register on the UC Supplier Portal!

- <https://suppliers.scquest.com/UCOP/>
- Why? Because you become eligible for consideration in the event that an RFX event is posted.
- Make sure to enter data for your NAICS and UNSPSC codes as well as self-certify if you are a diverse business as categorized by the federal government and the State of CA.

The screenshot shows the UC Supplier Management Portal interface. At the top, it says "UNIVERSITY OF CALIFORNIA Supplier Registration and Sourcing". Below that is a navigation bar with "Home" and "Print" links. The main content area is divided into three columns:

- Welcome:** A vertical menu with links for "Supplier Registration", "Bid Opportunities", "Current Events", "News", and "Links".
- Supplier Management Portal:** A central section with the heading "Supplier Management Portal". Below the heading, it says: "If you are a supplier that has been invited to participate, please login by clicking on the 'Login' button. As a supplier you will have access to the following:" followed by a bulleted list:
 - Register as a Supplier
 - Download all pertinent specifications
 - View Q&A's and ask/submit new questions
 - Receive email notification of changes or addendums
 - Participate in Sourcing Events
- Supplier Login:** A section with a "Supplier Login" heading. It contains two input fields: "Login ID:" and "Password:". Below these fields is a link for "Forgotten Your Login ID/Password?". There is a "Login" button and a link for "Are you a new user? Register Here".

Berkeley Procurement: How do I find out about bid opportunities?

- Check out the bid solicitations by going to the Supplier Registration & Sourcing website
https://suppliers.sciquest.com/UCOP/Rfx/BidOpp_List.aspx
- You do not need to be registered on the portal to view events. Note that these events may be systemwide, for multiple campuses, or for one campus in the UC system.
