Berkeley Procurement: How do I prepare to do business?

- See the To Suppliers webpage on the UC Berkeley Procurement Services website at http://procurement.berkeley.edu/suppliers.

- We are still developing the UCSF webpages.
Berkeley Procurement: Register on the UC Supplier Portal!

- [https://suppliers.scquest.com/UCOP/](https://suppliers.scquest.com/UCOP/)
- Why? Because you become eligible for consideration in the event that an RFX event is posted.
- Make sure to enter data for your NAICS and UNSPSC codes as well as self-certify if you are a diverse business as categorized by the federal government and the State of CA.
Berkeley Procurement: How do I find out about bid opportunities?

- Check out the bid solicitations by going to the Supplier Registration & Sourcing website https://suppliers.sciqueast.com/UCOP/Rfx/BidOpp_List.aspx

- You do not need to be registered on the portal to view events. Note that these events may be systemwide, for multiple campuses, or for one campus in the UC system.
