

## UC Berkeley Chancellor's Community Partnership Fund Grant Recommendations: 2011-2012 Grant Cycle

Community Service Programs				
Proposal/Description	Community Partners	University Partners	Theme	Amount Awarded
<b>Berkeley City College Service Community</b> brings UC Berkeley and Berkeley City College students together in service to develop leadership and assist prospective transfer students.	Berkeley City College, Institute for Civic and Community Engagement	Cal Corps Public Service Center	Education	\$ 7,000.00
<b>Berkeley Project: Deepening Community Impact</b> leverages the incredible success of Berkeley Project, a UCB student group, in engaging students in one-time service projects throughout the City of Berkeley.	Berkeley Partners for Parks, Rebuilding Together East Bay, Willard Neighborhood Association	Berkeley Project, Cal Corps Public Service Center, UC Retirement Center	Environmental Stewardship	\$ 23,000.00
<b>Berkeley Scholars to Cal</b> provides 75 African American and Chicano/Latino students with comprehensive, ongoing college preparation for eight years prior to their graduation from high school.	Stiles Hall, Berkeley Unified School District	Prof. Na'ilah Suad Nasir (UC Berkeley School of Education)	Education	\$ 20,000.00
<b>Berkeley Unzipped: The Green Tour Program</b> will provide day-long tours to connect Cal students to the Berkeley community: its green ventures, neighborhoods, independent retail stores, and the important role they play in keeping purchasing dollars circulating within our local economy.	Bay Area Green Tours	The Green Initiative Fund	Economic Development	\$ 5,000.00
<b>BUILD: Equity through Literacy</b> is an exciting new partnership to meet the 2020 Vision goal of 3rd grade reading proficiency for all of Berkeley's youth as a fundamental step to closing the academic achievement gap.	The Berkeley Alliance, Berkeley Unified School District, Berkeley Public Education Foundation, City of Berkeley Parks and Recreation, WestEd	Cal Corps Public Service Center	Education	\$ 40,000.00

<b>Community Service Programs (continued)</b>				
<b>Proposal/Description</b>	<b>Community Partners</b>	<b>University Partners</b>	<b>Theme</b>	<b>Recommended Amount</b>
<b>Community in the Classroom</b> bridges the gap between the expertise of University scientists and the needs of Berkeley elementary school teachers and students for more in-class science education.	Community Resources for Science	CalTeach, BASIS, UC Berkeley College of Chemistry, Environmental Leadership Pathway	Education	\$ 5,000.00
<b>Dental Clinic Expansion and Equipment Need</b> provides the Berkeley Free Clinic and the Suitcase Clinic with equipment and training necessary to provide free dental care to its hundreds of clients.	Berkeley Free Clinic: Berkeley Community Health Project	The Suitcase Clinic	Education	\$ 6,000.00
<b>Happy Neighbors</b> is a pilot project designed to involve the university and the neighborhood group in developing both a process and materials that would be used to reach out to students and neighbors to educate them on the standards of conduct and remedies that are available when students who are living adjacent to, and within the Berkeley community cause impacts related to party and alcohol use, vandalism and excessive noise.	Piedmont/Parker Neighborhood Watch Group, Dwight-Hillside Neighborhood Association	UC Berkeley Residential Living, University Health Service: PartySafe@Cal, Center for Student Conduct and Community Standards	Community Safety	\$ 7,500.00
<b>The Berkeley Skydeck Innovation Center</b> will help invigorate Berkeley's economy, grow jobs for residents and bolster the University's research and education mission.	Downtown Berkeley Association, City of Berkeley: Office of Economic Development, Beacon Group Ventures	Office of Technology Licensing, Haas School of Business: Lester Center for Entrepreneurship, College of Engineering: Center for Entrepreneurship and Technology	Economic Development	\$ 50,000.00
<b>The Math Art Integration Project</b> places math coaches and teaching artists in all three Berkeley middle schools and forms the CalCREATE student teacher program.	Kala Art Institute	Bay Area Mathematics Project, Cal Corps Public Service Center	Arts and Culture	\$ 15,000.00
<b>The Police and Life Academy</b> provides a forum where at-risk Berkeley teens and local police officers participate in an 8-week workshop that addresses teen safety and other issues affecting Berkeley teenagers.	Berkeley Boosters Police Activities League, Berkeley Police Department	University of California Police Department	Community Safety	\$ 20,000.00
<b>UCPD and BPD Crime Analysis Intern Program</b> seeks to increase the crime analysis capability of both police departments through the utilization of Cal students.	City of Berkeley Police Department	University of California Police Department	Community Safety	\$ 36,000.00
<i>Total Community Service Programs</i>				<i>\$ 234,500.00</i>

<b>Neighborhood Improvement Projects</b>				
<b>Proposal/Description</b>	<b>Community Partners</b>	<b>University Partners</b>	<b>Theme</b>	<b>Recommended Amount</b>
<b>60 Boxes</b> will design artistic treatments for utility boxes in downtown Berkeley utilizing the talents of the campus and Berkeley community while reflecting the value of sustainability.	Earth Island Institute	Capital Projects: Facilities Services and the Office of Sustainability	Arts and Culture	\$ 20,000.00
<b>The BORP Adaptive Recreation Center Rehab Project</b> will bring together university and community partners to transform a neglected building in Berkeley's Aquatic Park into an Adaptive Recreation Center.	Bay Area Outreach and Recreation Program, Berkeley Rotary	Residential Service Initiative, Cal Corps Public Service Center	Community Safety	\$ 7,485.00
<b>The South Berkeley Public Safety and Beautification Project</b> seeks to improve public safety and public spaces in South Berkeley.	Adeline and Sacramento Merchants Associations, City of Berkeley: Office of Economic Development	UC Berkeley Center for Community Innovation	Community Safety	\$ 16,500.00
<i>Total Neighborhood Improvement Projects</i>				\$ 43,985.00
<b>Total Awarded</b>				<b>\$ 278,485.00</b>
