### Community Service Programs

Project Description	Community Partners	University Partners	Theme and Project Type	Award Amount
<b>Cinema on the Crescent</b> is an exciting day-long event that will introduce Berkeley Art Museum and Pacific Film Archive to its new community in Downtown Berkeley as it prepares for its move in early 2016.	Downtown Berkeley Association	Berkeley Art Museum and Pacific Film Archive	Arts and Culture (Community Service)	\$ 5,000.00
<b>Behind the Scenes: Growing Arts Professionals</b> seeks to build capacity at non-profit arts organizations throughout Berkeley, and to provide students with professional development in arts-related careers.	Berkeley Cultural Trust	Cal Corps, Arts Research Center	Arts and Culture (Community Service)	\$ 20,000.00
<b>Berkeley Advancing in Mathematics (AiM)</b> is a pilot program that will bring UC Berkeley undergraduates with math education experience into elementary schools as tutors and as classroom trainees.	Berkeley Unified School District, Berkeley Arts Magnet School, Cragmont Elementary School, Malcolm X Elementary School, Thousand Oaks Elementary School, Washington Elementary School	Cal Teach	Education (Community Service)	\$ 34,000.00
The <b>Berkeley Student Leaders Community Collaboration</b> seeks to develop a yearlong leadership program comprised of trainings for BCC and UCB students and retreats for BHS students.	Institute for Civic and Community Engagement, Berkeley City College, Berkeley City College Service Community, Berkeley High Leadership Program	Cal Corps	Education (Community Service)	\$ 5,000.00
<b>Conflict Busters</b> is an innovative program focused on restorative practices in elementary schools. Funding will help coordinate restorative practices at local schools, including running the Conflict Busters program, which teaches students to de-escalate and resolve the conflicts of their peers.	SEEDS Community Resolution Center, Rosa Parks Elementary School	Restorative Justice Center	Education (Community Service)	\$ 25,000.00
<b>Early Childhood Science: Building the Future</b> , which supports preschool teachers working with the lowest income children in Berkeley, will strengthen teachers' ability to impart science education, expose children to enhanced science integrated curriculum and help parents understand the importance of science-based learning.	YMCA of the Central Bay Area: Early Childhood Services (Head Start)	Lawrence Hall of Science School & Family Programs	Education (Community Service)	\$ 40,000.00
<b>Healthy Black Families in Berkeley</b> aims to improve health and well-being of Berkeley African-American families by (1) creating a non-profit community organization devoted to the elimination of racial and ethnic disparities in Berkeley; (2) implementation of forums to promote community engagement; and (3) implementing a big sister program, "Sister-to-Sister" to plan for success for 25 eligible families.	Black Infant Health Community Advisory Board, City of Berkeley: Division of Public Health, Sisters Together Empowering Peers	School of Public Health: Community Health and Human Development, Center for Public Health Practice	Education (Community Service)	\$ 10,000.00

Project Description	Community Partners	University Partners	Theme and Project Type	Award Amount
<b>Math Rules</b> builds upon key research and web-based resources to improve the math proficiency of African American and Latino students who have scored below basic on the California State Test. It incorporates intensive summer math camps and extended, differentiated instruction during the school year and utilizes Cal graduate students to work with credentialed math teachers.	Level Playing Field Institute, REALM Charter School	Graduate School of Education	Education (Community Service)	\$ 20,000.00
<b>Ready Neighborhoods West Berkeley</b> will leverage and focus resources of the American Red Cross, the University of California, Berkeley and the City of Berkeley to provide the West Berkeley community with the training, resources and networks it needs to prepare for, help prevent, respond to and recover from emergencies and disasters.	American Red Cross Bay Area, Berkeley Fire Office of Emergency Services	Cal Corps, American Red Cross @ Cal, UC Berkeley Office of Emergency Management	Community Safety (Community Service)	\$ 30,000.00
<b>Neighborhood Improvement Programs</b>				
Project Description	Community Partners	University Partners	Theme and Project Type	Award Amount
The <b>BUSD Garden Education Collaborative</b> is a multi-pronged initiative designed to connect the BUSD's in-school and outdoor learning environments by supporting planning, green space infrastructure, teacher training, and curriculum needed to deliver integrated, high-impact garden education to students throughout the BUSD.	Berkeley Unified School District Garden and Cooking Program, Berkeley LEARNS After School Program, Bay Area Community Resources, Bay Tree Design, The Edible Schoolyard Project	UC Botanical Gardens, Atkins Center for Weight and Health	Education (Community Service and Neighborhood Improvement)	\$ 23,000.00
<b>Print Public</b> is a new creative placemaking project partnering Department of City & Regional Planning, and UC Transportation Center, Kala Art Institute, and local businesses to create art installations, pop-up projects, print kiosks, and innovative acts of culture to activate San Pablo Avenue in West Berkeley.	Kala Art Institute	UC Transportation Center	Arts and Culture (Neighborhood Improvement)	\$ 40,000.00
