Chancellor's Community Partnership Fund -- 2015-2016 Grant Recipient Recommendations

Award Amounts
Community Service: \$191,954

Neighborhood Improvement: \$55,000

Total Award Amount: \$246,954

Community Service Projects	Community Partners	University Partners	Theme & Project Type	Award Amount
Afterschool Connections uses art and music curricula designed for children with disabilities to create an empowering, supportive environment in which youth explore the arts, develop patience and self-esteem, and make connections with Cal students. Family members' input is sought and included.	SDC Blue Ribbon Foundation Berkeley District, City of Berkeley: Recreation Division, Special Needs	Graduate School of Education	Education (Community Service)	\$5,000
Athletics-For-All Partners continue the development of Cal's first campus-based disability athletics program for students and community members with disabilities. Programming promotes educational awareness by including participation from students without disabilities.	BORP (Bay Area Outreach and Recreational Program)	Graduate School of Education, Cultural Studies of Sport in Education	Education (Community Service)	\$10,000
Berkeley (Academic Potential and Excellence) Afterschool Program APEX seeks to provide enrichment and talent development for high potential elementary school students currently enrolled in BUSD with the goal of identifying, mentoring and supporting students from groups historically underrepresented in Gifted and Talented Education.	Berkeley Unified School District, Berkeley Advanced Learner Support and Advocacy (BALSA).	Academic Talent Development Program	Education (Community Service)	\$20,000
Berkeley Baby Book Project: Pilot Program seeks to close the the kindergarten readiness gap, by providing 100 children (0-4) in South and West Berkeley with a book a month, hosting parent surveys and evaluating the impact of book ownership on children and parents habits and attitudes.	The Berkeley Baby Book Project, YMCA Head Start	Dr. Anne Cunningham, Graduate School of Education	Education (Community Service)	\$13,704
Berkeley Scholars to Cal will provide 25 Black and Latino 5th grade students with comprehensive, ongoing college preparation for eight years prior to their graduation from high school, providing 250 hours of direct service per year, including: a Black or Latino Cal student mentor, summer, Saturday and After-School Academies, as well as home visits and case management.	Stiles Hall, City of Berkeley, Berkeley Unified School District	Graduate School of Education and African American Studies	Education (Community Service)	\$20,000
Building Competency, Increasing Safety: Improving Transgender Patient Outcomes seeks to ameliorate the discrimination and institutionalized violence that transgender residents of Berkeley face when attempting to access healthcare by offering trainings and improving the quality of care.	Berkeley Free Clinic (Berkeley Community Health Project), Willy Wilkinson (LGBT ACCESS), Pacific Center	LGBTQI Suitcase Clinic (UC Berkeley-UCSF Joint Medical Program),	Community Safety (Community Service)	\$20,000
Equal Read: BUILDing Identity-Safe Literacy Programs for Berkeley Unified School District will provide broadly diverse book collections, representing 17 different identity group categories, to all BUSD elementary school libraries, create a guide for families, mentors, and teachers to support readers in exploring identities, and offer BUILD mentors training to address stereotypes in literature.	Equal Read	UC Berkeley Public Service Center	Education (Community Service)	\$15,000
Partnership for STEM in Middle School will engage UC faculty and students in guiding 7th graders through designing, conducting, and presenting a scientific investigation, consistent with the Next Generation Science Standards; piloting at King Middle School, and scaled to Longfellow and Willard	Community Resources for Science	Department of Microbial Biology	Education (Community Service)	\$13,250
In the Strawberry Creek Watershed Action Program students learn hands-on science, connect with nature and take action to help restore their local creek, families participate, teachers receive professional development and UC Berkeley Student Mentors become environmental leaders.	KIDS for the BAY (A project of Earth Island Institute)	Office of the Environment, Health and Safety	Environmental Stewardship (Community Service)	\$20,000
The Berkeley Arts Providers School Partnership will identify disparities in arts within the district's elementary after-school programin order to develop and implement a plan that connects UCB, the Civic Arts Commission, local arts organizations and the district to ensure access, equity and equality.	City of Berkeley Civic Arts Commission	The Principal Leadership Institute, Graduate School of Education	Arts and Culture (Community Service)	\$15,000
