

UNIVERSITY OF CALIFORNIA
RICHMOND BAY CAMPUS Long Range Development Plan

Community Draft
November 15, 2013 Update

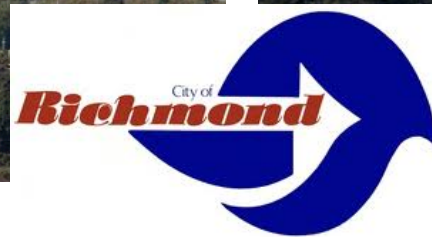

UCB & LBNL (Draft) Joint Statement of Commitment

*Richmond Community Partnership Meeting,
April 7, 2014*

A Joint Statement of Commitment to Strengthen Partnerships with the Richmond Community

Overview of UC Governance Structure

Overview of Joint Statement of Commitment

- What we heard from the Richmond Community
- Current conditions and assets (Whereas)
- Commitments moving forward (Be it Resolved)
- Foundations to both strengthen existing and create new partnerships
- Next steps

Draft Resolutions

Establish a Working Group (Lines 69-77)

- 40 year horizon of development
- Develop recommendations and proposals for education, local employment, procurement and workforce training
- Establish protocols for evaluation and monitoring
- Make recommendations for future MOU's
- Chaired by UCB/LBNL

Draft Resolutions

Support Richmond Education Goals (Lines 78-85)

- Work with WCCUSD, Contra Costa College, City of Richmond, Community-based Youth Services Organizations to support WCCUSD Strategic Plan, STEM education, work-based learning, internships, and lifelong learning opportunities
- UCB engaged scholarship, public service, research opportunities; LBNL education resources for high school and community college research and internships program

Draft Resolutions

Helping to Prepare Richmond Residents for College and Career Opportunities (Lines 86-88)

- Enhance education and outreach programs with staff, faculty, students
- Work in partnership with Richmond community

Draft Resolutions

Cooperate and Collaborate with Existing Workforce Training & Education Programs (Lines 89 – 94)

- Support training Richmond residents for meeting the on-going and future employment needs of UCB and LBNL
- Work with organizations such as, but not limited to:
 - Richmond Employment & Training; Richmond BUILD, Contra Costa College, Richmond and Contra Costa WIBs, state approved apprenticeship programs, local non-profits, foundations, community based organizations

Draft Resolutions

Provide Economic Opportunities to Richmond Residents (Lines 95-104)

- Set & monitor voluntary local hire goals for constructions & infrastructure, drawing from UCSF model
- Require 3rd party developers to pay prevailing wage and meet UCB's voluntary local hire goals
- Work with COR Employment & Training to access contact info for qualified trades workers and apprentices

Draft Resolutions

Provide Economic Opportunities to

Richmond Residents (continued)

(Lines 105-110)

- Work with community organizations, small business development programs, and workforce training programs to assist Richmond residents to respond effectively to opportunities at the main campuses and at the proposed Richmond Bay Campus
- Develop best practices for proactive outreach and marketing of procurement and employment opportunities for Richmond residents for any Richmond Bay Campus-related development opportunity

Draft Resolutions

Provide Economic Opportunities to

Richmond Residents (continued)

(Lines 111-114)

- Meet with community organizations in Richmond to develop strategies that assist women, minority, and veteran-owned small businesses to respond more effectively to currently available contract opportunities; and to report on these strategies to the Richmond Community Partnership working group

Draft Resolutions

Richmond Community Partnership Fund (Lines 115-123)

- UC Berkeley and Lawrence Berkeley National Laboratory will establish a Richmond Community Partnership fund
- UCB will seed the fund with \$50,000 and LBNL will seed the fund with \$25,000. Not to exceed \$300,000 at full implementation of RBC LRDP
- Will seek, as appropriate, other philanthropic opportunities to match and leverage funds for Richmond community partnerships

Next Steps

- End of April: Final LRDP/EIR completed
- May 14-15: UC Regents Meeting in Sacramento (agenda released two weeks prior)
- End of June: Working Group selection and first meeting (pending Regents approval of LRDP/EIR).
