About Happy Neighbors

Launched in 2009 in the Parker-Piedmont Neighborhood, Happy Neighbors educates students and their neighbors about community expectations, relevant policies and laws, the role of police, code enforcement, and student conduct procedures for possible alcohol, party, and noise-related violations. COVID-19 impacted all activities of Happy Neighbors, but we have begun to do more peer-to-peer outreach and education. Happy Neighbors messages are promoted through the use of various media and outreach methods, often in partnership with PartySafe@Cal. Happy Neighbors partners with student leaders, staff from the campus, the city and the community including: University Health Services and PartySafe@Cal; F&S Life, Center for Student Conduct, and UCPD, and the City Manager's Office, Berkeley Police and Fire Departments.
