About Happy Neighbors

Launched in 2009 in the Parker-Piedmont Neighborhood, Happy Neighbors educates students and their neighbors about community expectations, relevant policies and laws, the role of police, code enforcement, and student conduct procedures for possible alcohol, party, and noise-related violations. COVID-19 has impacted all activities of Happy Neighbors, but we do hope to get back to more peer-to-peer outreach and education. COVID-19 has impacted all activities of Happy Neighbors, but we do hope to get back to more peer-to-peer outreach and education.
