Wendy Hillis, AIA

Assistant Vice Chancellor and Campus Architect

[wendyhillis@berkeley.edu](mailto:wendyhillis@berkeley.edu)

Under the direction of the Vice Chancellor of Administration, the integrated teams of Capital Strategies work together to bring planning, design, real estate, construction and development services to the UC Berkeley campus. We are architects, landscape architects, planners, engineers, construction specialists, and administrative personnel, all of whom work together to serve the campus community.
