About Happy Neighbors

Happy Neighbors seeks to create awareness and optimal neighbor relations through peer education and outreach. Launched in 2009 in the Parker-Piedmont Neighborhood, Happy Neighbors educates students and their neighbors about community expectations, relevant policies and laws, and police, code enforcement, and student conduct procedures for possible alcohol, party, and noise-related violations. COVID-19 Happy Neighbors messages are promoted through the use of various media and outreach methods, often in partnership with PartySafe@Cal. Happy Neighbors partners with student leaders, staff from the campus, the city and the community including: University Health Services and PartySafe@Cal; LEAD

Center/Greek Life, Center for Student Conduct, and UCPD, and the City Manager's Office, Berkeley Police and Fire Departments.
