Happy Neighbors

Happy Neighbors seeks to create awareness and optimal neighbor relations through peer education and outreach. Launched in 2009 in the Parker-Piedmont Neighborhood, Happy Neighbors educates students and their neighbors about community expectations, relevant policies and laws, and police and student conduct procedures for possible alcohol, party, and noise-related violations. Happy Neighbors messages are promoted through the use of various media and outreach methods, often in partnership with PartySafe@Cal.

To engage with students, Happy Neighbors staff and student health workers meet with students one-on-one. To engage with neighbors, Happy Neighbors staff attends neighborhood council meetings to provide [resources](#), tips, and [Quiet Zone](#) signs. Also in attendance are UC Berkeley staff from a variety of departments including Government and Community Relations, University Health Services and PartySafe@Cal the LEAD Center/Greek Life, Center for Student Conduct, and the Berkeley Police Department Southside Safety Patrol.
